- **Leisure activities**

As part of the Park House development plan, I am looking at what leisure activities are available in your own local authorities that your child may already be accessing, or you would like them to access at some stage. This will form part of a wider project in which we can work on the pre-requisite skills needed for the pupils in Park House to be able to access this over time. Please respond using the form here: <https://www.smartsurvey.co.uk/s/BA3R7C/>

If you have any questions, please do not hesitate to ask. Karen Talty (ABA Consultant)

- **Coffee Morning– Thursday 25th November**

The Supervisor team at Park House are running a coffee morning at Park House on Thursday 25th November. The topics discussed will include self-care skills, how to promote independence and set your child up for success at home. Please confirm your attendance on the slip sent out so we can get an idea of numbers.

- **Hairdresser**

Hairdressers from 'Blue Tit London' (<https://bluetitlondon.com/>) are coming to visit Park House School this term on **6th December**. Please return the slip sent previously so we can get an idea of numbers of pupils wanting hair cuts.

- On 30th November we will be taking part in "Animal Awareness Day". As part of this we have *Our Amazing Animal World* coming to visit the school and run an interactive session. This will give our pupils the opportunity to interact with a variety of different animals (from a very soft rabbit, to a rough bearded dragon) and engage in a complete sensory experience. Pupils will be able to drop in and out of the session and will only participate on a level that they feel comfortable with. Please return the form sent home if you would prefer your child to opt out.
